Dear Taba:

Congratulations on a spectacular showing at the U.S. Open. Your art pavilion was one of the finest golf exhibits ever showcased! It was our pleasure to have you as an integral part of our merchandise joint venture with Izod Club. The art presentation was brilliant and it added so much sizzle to the entire merchandise sales operation.

Your creativity, perseverance, artistic talents, and attention to all the details is unparalleled. I wish you the very best of luck in your future ventures. I am sure that since I will be staying in the event business, our paths will cross more than once. It would be my privilege to have the opportunity to work with you again.

Taba, I also want to thank you for presenting me with the extraordinary framed commemorative poster. I am very appreciative of your thoughtfulness. In fact, I had many people comment on the poster when they saw it in the office and went to buy one in the tent!

Taba, again congratulations and thank you.

Sincerely,

A handwritten signature in cursive script that reads "Jeanne".
